3. Reason for the revision

Due to a further downturn in the business climate, the Company expects its operating income and ordinary income to be lower than previous forecast. Net income is also expected lower, because of the posting of impairment loss on property, plant and equipment and loss on valuation of investment in securities as extraordinary losses.

* Cautions pertaining to the appropriate use of performance forecasts and other particular items

The performance forecast and other forward-looking statements contained in this material have been prepared on the basis of information available at this point and certain assumptions which are judged to be rational, and may be substantially different from the actual performance etc. because of various factors that may arise from now on. In addition, the forecast numbers of net income per share are not considered any schedule of acquisition of treasury stock.
