Toagosei Group current situation impacted by the 2011 off the Pacific Coast of Tohoku Earthquake

Due to the 2011 off the Pacific Coast of Tohoku Earthquake that occurred on March 11, 2011, the current situation is as follows;

The safety of Toagosei Group's employees

The company confirmed the safety of Toagosei Group's employees.

Toagosei Group's plant operations

Hirono Plant (Hirono-machi , Futaba-gun, Fukushima Pref.) of Nihon Junyaku Co., Ltd. is out of operation, because it is located in the evacuation area of Fukushima Nuclear Power Station. The schedule of the resumption of operation is uncertain.

It is unable to ship any acrylic polymers which are produced at Hirono Plant.

Main Plant (Tsurumi-ku, Yokohama) of Tsurumi Soda Co., Ltd. is out of operation. Striving to resumption of operation as soon as possible.

The other plants operate normally.

We would ask for the understanding of our customers for any inconvenience caused by delays in the delivery of products as a result of the disaster.
